Daksh Foods

Pvt. Ltd.

Company Profile

Daksh Foods Pvt. Ltd. was established in 1998 with the principal purpose of producing and exporting dehydrated Vegetables, mainly Onions and Garlic. The company has set up, a manufacturing unit in the western province of India at Rajula (Gujarat) which is the land of the best quality of the Onions and Garlic. The enterprise is situated ideally in the clean, dry atmosphere of the state, providing a perfect climate for the dehydration industry.

We are also in very close proximity to Pipavav port and Mundra port which enables us for quick dispatch and delivery for our customers.

Our products are certified with ISO 22000:2018, ISO 9001:2015, HACCP, HALAL, FDA, and other domestic quality certificates. We are also members of APEDA & SPICES BOARD.

We have long-term contracts directly with the farmers in the nearby region enabling us to procure the best quality raw materials: Fresh Onions and Garlic.

The team **Daksh Foods** is comprised of educated promoters and highly dedicated towards food quality grassroots staff. The team has 25 years of experience and it's still counting.

We export 100 percent of our production in Europe, USA, Canada, Australia, Africa, Russia, Latin America etc.

Competent and efficient technicians steer hot-air dryers of the products at each stage of production. A well-equipped laboratory supervises product quality including the micro-biological specifications.

Our staff is well trained in all the international/EU standards for packaging/stuffing and dispatch so the clients get the best quality goods in the best manner.

Dehydrated White Onion

Kibbled

Chopped

Minced
